Hi Rich,

I've added your updates below.

Sam: Do you have any suggested edits? Otherwise, are we ready to share the draft with Russ Kaiser and Brian Frazer?

Thanks, Sam and Elizabeth.

I'm pulling in Rich from ORC on this. Rich, please advise.

All: In Blue is what I've gleaned/adapted from statements that have already left the Agency. Please let me know if you would like to add anything else.

Also, I suspect Russ Kaiser and/or Brian Frazer will want to weigh in before this goes to OGC for approval.

Thanks and have a great weekend!

Jeremy

Hi Sam, I would defer to ORC for appropriate language for the NTOC "hot topics" document, if it is necessary to include Rosemont.

Hi Sam,

Deliberative Process / Ex. 5

Jeremy

! As March 22 quickly approaches, I wanted to send a friendly reminder regarding the NTOC "hot topics" document.

Here is what you need to know:

- Please input your **OGC pre-approved** Hot Topics by **COB Friday, March 22**.
- Put your comments into the collective SharePoint document [linked here](#) (no need to use track changes). For your reference, [here](#) is the 2017 NTOC Hot Topics document (which is the starting point for the current document).
- AIEO will be looking to each program office to brief their participating senior managers on their respective Hot Topics section so they can be prepared during the NTOC.

Please reach out to me with any questions. Thank you!

I appreciate your help with this!
